

## Recycling businesses at the heart of the circular economy

Committed to resource the economy for future decades

*Solvay Library*

Parc Léopold, Rue Belliard 137, 1040 Bruxelles

14.00 – 21.00

**Moderator: Mr. Hajo FRIEDRICH, Freelance Journalist**

### ⇒ Why attending?

The new circular economy package will undoubtedly shape the future of recycling industries in Europe. By turning waste into new resources, recyclers have a wealth of experience to share. Hosted in the prestigious *Solvay Library*, this event offers you the unique opportunity to:

- ✓ Exchange with key policy-makers;
- ✓ Share your views and experiences;
- ✓ Meet with leaders from recycling federations and companies from 20 EU & EFTA Member States.

### ⇒ How to register?

Register online now at EuRIC event dedicated webpage:
