

Recycling businesses at the heart of the circular economy

March 1st, 2016 – Solvay Library, Brussels

Sponsorship opportunities

The European Recycling Industries' Confederation (EuRIC)* organises on March 1st, in Brussels, the event that will place European recyclers at the heart of EU's circular economy.

In the prestigious venue of the Solvay Library located next to the European Parliament, EuRIC event will bring together EU policy-makers, recycling businesses, stakeholders and media together to debate of Europe's plans to move towards a circular economy and recyclers daily contribution to it.

The Solvay Library - Brussels

By sponsoring this conference, you get the opportunity to:

- ⇒ Boost your European outreach
- ⇒ Become a key actor of the circular economy for high level EU policy makers
- ⇒ Benefit from a targeted media coverage
- ⇒ Raise your company profile
 - ✓ Before the day of the event, through advert on EuRIC website, mailing to EuRIC EU-wide network of Members and pre-event article on EuRIC dedicated event sponsors webpage
 - ✓ On the day of the event in the communication tools (pull-up banners) and by securing a preferential representation

For more information, please contact EuRIC Secretariat (**Email:** euric@euric-aisbl.eu / **Tel:** +32 471 689 319) or visit the conference webpage (<http://www.euric-aisbl.eu/circular-economy>)

*EuRIC advocates, in Brussels, the interests of recycling businesses from across Europe. EuRIC brings together Member National Recycling Associations from 20 EU and EFTA countries representing:

- ⇒ 5 500 private companies
- ⇒ 300 000 local jobs
- ⇒ 150 million tonnes on average of wastes recycled every year
- ⇒ 95 billion Euros annual aggregated turnover
